

SUBJECT: Broken Window and Stolen Equipment

FROM: [REDACTED]

TO: Jefemasters7@gmail.com

DATE: 17/11/2021 14:03

Hello Jefe,

My name is [REDACTED] and my truck is currently at Master's Touch. It is the 2006 Ford F250, gray in color, with the \$6,400.00 estimate for repairs. This email is not related to the estimate however, this is concerning the broken window and miscellaneous equipment I am contacting you about. The following is a list of what was taken.

- 1.) Dewalt DXAEP11000 Power Inverter 1000W \$159.00
- 2.) Alcatel MyFlip 2 A406DL with 120 minute calling card. \$45.00 x 2 total \$90.00
- 3.) iPhone charging/data cable \$14.99
- 4.) Android charging/data cable \$16.99
- 5.) USB type C to USB type C with USB 3.1 adapter 6ft \$28.99
- 6.) 06 Auto-Drop Point, Serrated Automatic \$170.00

This list is not all inclusive. I need to come out and take a look again to make sure that I have not missed anything.

I will call Scott here shortly to make arrangements for the repairs to start.

Thanks for your time.

Regards,

[REDACTED]
